EXPLANATION OF PLATE I.

John Valentine Satterlee. See page 8.
EXPLANATION OF PLATE II.

Figure 1. Keshena, Shawano County, Wisconsin, from north hill, showing State Highway 47. See page 10.

Figure 2. Typical Menomini family at Crow Settlement near West Branch of Wolf River, Menomini Reservation. William Satterlee and wife, nephews, brother John V. Satterlee and uncle Jim Blackcloud. See page 12.
EXPLANATION OF PLATE III.

Figure 1. Clay-sand forest in lake region of Menomini Reservation. Certain types of medicines are only found here. See page 11.

Figure 2. Deciduous forest, river bottom soil near Wolf River, where an entirely different type of medicines is found. See page 11.
EXPLANATION OF PLATE IV.

Figure 1. Wisho’nakwit, Menomini medicine man, at his home near Keshena. See page 13.

Figure 2. Louise Amor, Menomini medicine woman, in her tribal dress with appliqué embroidery on broadcloth. See page 13.
EXPLANATION OF PLATE V.

Figure 1. Keshena Falls of the Wolf River, a mile north of Keshena. The source of hydro-electric power for the reservation. See page 10.

Figure 2. Lake La Mote, one of the small chain of lakes in the south-eastern portion of the reservation. See page 11.
EXPLANATION OF PLATE VI.

Figure 1. Menomini sawmill at Neopit, Wisconsin. An industrial mill for the Menomini. See page 11.

Figure 2. Forest nursery of white and Austrian pine, Neopit Operation Farm, near Keshena. See page 12.

Figure 3. Pagan cemetery, near Keshena, where Chief Oshkosh is buried. See page 12.

Figure 4. The Menomini Spirit Rock on old Military Road, from Keshena Falls to Oconto. See page 19.
EXPLANATION OF PLATE VII.

Figure 1. White Oak (*Quercus alba* L.). Source of medicine and wood. See pages 36 and 66.

Figure 2. Hard Maple (*Acer saccharum* Marsh.). Source of maple sugar. See page 61.

Figure 3. Slippery Elm (*Ulmus fulva* Mx.). Source of medicine and fiber. See pages 56 and 77.

Figure 4. Butternut (*Juglans cinerea* L.). Source of medicine and dye. See pages 38, 68 and 78.
EXPLANATION OF PLATE VIII.

Figure 1. Choke Cherry (*Prunus virginiana* Mill.). Source of medicine and food. See pages 49 and 71.

Figure 2. Hemlock (*Tsuga canadensis* Carr.). Source of medicine, dye and tanning material. See pages 46 and 78.

Figure 3. Arbor-vitae or White Cedar (*Thuja occidentalis* L.). Source of fiber and medicine. See pages 46, 76 and 81.

Figure 4. State Highway 47 on Moccasin Hill near Neopit, Menomini Reservation. See page 10.
EXPLANATION OF PLATE IX.

Figure 1. Shellbark Hickory (*Carya ovata* (Mill.) K. Koch). Source of food and wood. See page 68.

Figure 2. Beech (*Fagus grandifolia* Ehrh.). Source of medicine, food and wood. See page 36.

Figure 3. Black Ash (*Fraxinus nigra* March.). Source of medicine and wood. See pages 43 and 75.

Figure 4. Staghorn Sumac (*Rhus typhina* L.). Source of beverage and medicine. See pages 22, 62 and 77.
EXPLANATION OF PLATE X.

Figure 1. Tree Lichen (Sticta glomulerifera). Source of food and medicine. See pages 21 and 60.

Figure 2. Dragon Root (Arisaema dracontium (L.) Schott). Source of medicine. See pages 23 and 79.

Figure 3. Skunk Cabbage (Spatheyma foetida (L.) Nutt.). Source of medicine. See page 23.

Figure 4. Gem Puffballs (Lycoperdon pyriforme Schaeff.). Source of medicine and sorcery. See pages 21, 60 and 79.
EXPLANATION OF PLATE XI.

Figure 1. Field Horsetail (*Equisetum hyemale* L.). Source of medicine and scouring material. See pages 34 and 75.

Figure 2. Mouse-car Everlasting (*Gnaphalium polycephalum* Mx.). Source of medicine. See page 30.

Figure 3. Joe-pye Weed (*Eupatorium purpureum* L.). Source of medicine. See page 30.

Figure 4. Sneezeweed (*Helenium autumnale* L.). Source of medicine. See page 30.
EXPLANATION OF PLATE XII.

Figure 1. Modern Menomini house in the Crow Settlement. See page 73.

Figure 2. Blue-eyed Grass (*Sisyrinchium albidium* Raf.). Source of medicine and sorcery. See page 38.

Figure 3. Dutchman’s Breeches (*Dicentra cucullaria* (L.) Bernh.). A Menomini love-charm. See page 81.

Figure 4. Basswood (*Tilia americana* L.). Chief fiber plant of the Menomini. See page 76.
EXPLANATION OF PLATE XIII.

Figure 1. Bellwort (*Uvularia grandiflora* Sm.). Source of a Menomini medicine. See page 41.

Figure 2. Large-flowered Trillium (*T. grandiflorum* (Mx.) Salisb.). Source of various medicines. See page 41.

Figure 3. Tamarack (*Larix laricina* (DuRoi) Koch). Source of medicines. See page 45.

Figure 4. Stemless Ladies’ Slipper (*Cypripedium acaule* Ait.). Source of medicine. See page 44.
EXPLANATION OF PLATE XIV.

Figure 1. Lady’s Sorrel (*Oxalis corniculata* L.). Source of a yellow dyestuff. See page 78.

Figure 2. Bloodroot (*Sanguinaria canadensis* L.). Source of medicine and dye.
See pages 44 and 78.

Figure 3. Northern Clintonia (*C. borealis* (Ait.) Raf.) with which dog poisons his teeth.
See page 40.

Figure 4. Pasture Rose (*Rosa humilis* Marsh.). Source of medicine. See page 50.
EXPLANATION OF PLATE XV.

Figure 1. Butterfly Weed (*Asclepias tuberosa* L.). Source of various remedies. See page 25.

Figure 2. May Apple (*Podophyllum peltatum* L.). Source of potato bug poison. See pages 25 and 62.

Figure 3. Indian Spikenard (*Aralia racemosa* L.). Source of medicine and food. See pages 24 and 62.

Figure 4. Jack-in-the-pulpit (*Arisaema triphyllum* (L.) Schott.). Source of medicine. See page 23.
EXPLANATION OF PLATE XVI.

Figure 1. Yarrow (*Achillea millefolium* L.). Source of medicine. See page 28.

Figure 2. Common Elderberry (*Sambucus canadensis* L.). Source of purgative medicine. See pages 27 and 74.

Figure 3. Hazelnut (*Corylus americana* Walt.). Source of medicine, fiber and food. See pages 26 and 63.

Figure 4. Maple-leaved Viburnum (*V. acerifolium* L.). Source of medicine. See page 28.
EXPLANATION OF PLATE XVII.

Figure 1. Nannyberry (*Viburnum lentago* L.). Source of food. See page 63.

Figure 2. High-bush Cranberry (*Viburnum opulus americanus* (Mill.) Ait.). Source of food and medicine. See pages 28 and 63.

Figure 3. Yellow Pimpernel (*Taenidia integerrima* (L.) Drude). Source of medicine. See page 56.

Figure 4. Blue Vervain (*Verbena hastata* L.). Source of medicine. See page 58.
EXPLANATION OF PLATE XVIII.

Figure 1. Alternate-leaved Cornel (*Cornus alternifolia* L.f.). Source of medicine and tobacco. See page 80.

Figure 2. Virginia Peppergrass (*Lepidium virginicum* L.). Source of medicine. See page 33.

Figure 3. Joe-pye Weed (*Eupatorium purpureum* L.) and Boneset (*Eu. perfoliatum* L.). Sources of medicines. See page 30.

Figure 4. Silky Cornel (*Cornus amomum* Mill.). Source of medicine and tobacco. See pages 32 and 80.
EXPLANATION OF PLATE XIX.

Figure 1. Blue-eyed Grass (*Sisyrinchium albidium* Raf.). Source of charm and medicine. See page 38.

Figure 2. Wild Crane’s Bill (*Geranium maculatum* L.). Source of medicine. See page 36.

Figure 3. Wild Bergamot (*Monarda fistulosa* L.). Source of medicine. See page 39.

Figure 4. Catnip (*Nepeta cataria* L.). Source of medicine. See page 39.
EXPLANATION OF PLATE XX.

Figure 1. Prince’s Pine (*Chimagila umbellata* (L.) Nutt.). The smaller specimen is the source of a medicine. See page 35. The Pyrola shown is not used.

Figure 2. Witch-hazel (*Hamamelis virginiana* L.). Source of rubbing oil, and magic seeds. See page 37.

Figure 3. Wild Mint (*Mentha arvensis canadensis* (L.) Briquet). Source of medicine. See page 39.

Figure 4. Peppermint (*Mentha piperita* L.). See page 39.
EXPLANATION OF PLATE XXI.

Figure 1. New Jersey Tea (*Ceanothus americanus* L.). Source of beverage and medicine. See pages 49 and 70.

Figure 2. Liverleaf (*Hepatica actiloba* D.C.). Source of medicine. See page 48.

Figure 3. White Pine (*Pinus strobus* L.). Source of medicine, wood and pitch. See page 46.

Figure 4. White Spruce (*Picea canadensis* (Mill.) B.S.P.). Source of medicines. See page 45.
EXPLANATION OF PLATE XXII.

Figure 1. Lupines (*Lupinus perennis* L.). Source of horse medicine. See page 40.

Figure 2. Showy Ladies’ Slipper (*Cypripedium hirsutum* Mill.). Source of medicine. See page 44.
EXPLANATION OF PLATE XXIII

Figure 1. Prickly Gooseberry (*Ribes cynosbati* L.). Source of food. See page 71.

Figure 2. Prickly Ash (*Zanthoxylum americanum* Mill.). Source of medicines. See page 51.

Figure 3. Black or Rum Cherry (*Prunus serotina* Ehrh.). Source of beverage and medicine. See pages 49 and 71.

Figure 4. Swamp Saxifrage (*Saxifraga pennsylvanica* L.). Source of medicine. See page 53.
EXPLANATION OF PLATE XXIV.

Figure 1. Cow Parsnip (*Heracleum lanatum* Mx.). A sorcerers’ medicine and hunting charm. See pages 55 and 81.

Figure 2. Angelica (*Angelica atropurpurea* L.). Source of medicine. See page 55.

Figure 3. Edible Valerian (*Valeriana edulis* Nutt.). Source of medicines. See page 57.

Figure 4. Great Mullen (*Verbascum thapsus* L.). Source of medicine. See page 53.
EXPLANATION OF PLATE XXV.

Figure 1. Culver’s Toot (*Veronica virginica* L.). Source of medicine and mystic medicine. See page 53.

Figure 2. Fragrant Bedstraw (*Galium triflorum* Mx.). Source of medicine. See page 51.

Figure 3. Red Raspberry (*Rubus idaeus aculeatissimus* (C. A. May) Regel & Tiling). A seasoner of medicines and a source of food. See pages 50 and 71.

Figure 4. Blackberry (*Rubus allegheniensis* Porter). Source of medicine and food. See pages 50 and 71.
EXPLANATION OF PLATE XXVI.

Figure 1. Menomini Squashes (*Cucurbita pepo* Var.). The kind dried in slices for winter use. See pages 33 and 65.

Figure 2. Common Milkweed (*Asclepias syriaca* L.). A Menomini food. See pages 62 and 74.
Figure 1. Cinnamon Fern (*Osmunda cinnamomea* L.). Source of medicine and food. See page 70.

Figure 2. A lake border with wild rice (*Zizania aquatica* L.). See page 67.
EXPLANATION OF PLATE XXVIII.

Figure 1. Blueberries (Vaccinium pennsylvanicum Lam.). A favorite food of the Menomini. See page 66.

Figure 2. Blue Cohosh (Caulophyllum thalictroides L.). Source of medicine. See page 25.

Figure 3. A wild rice gatherer’s camp. See page 67.

Figure 4. Three-leaved Hop Tree (Ptelea trifoliata L.). A sacred medicine. See page 51.
EXPLANATION OF PLATE XXIX.

Figure 1. Threshing wild rice (*Zizania aquatica* L.). See page 67.

Figure 2. Winnowing wild rice. See page 68.

Figure 3. Groundnut (*Apios tuberosa* Moench.). Menomini wild white potato vine. See page 68.

Figure 4. Drying beans Menomini fashion. See page 69.
EXPLANATION OF PLATE XXX.

Figure 1. A single root of Groundnut (*Apios tuberosa* Moench.). See page 69.

Figure 2. A branch of Juneberries (*Amelanchier buronensis* Wiegand). See page 76.
EXPLANATION OF PLATE XXXI.

Figure 1. Dandelion (Taraxacum officinale Weber). A Menomini food. See page 65.

Figure 2. Rugel’s Plantain (Plantago rugelii Denc.). Source of medicine. See page 46.

Figure 3. Arum-leaved Arrowhead (Sagittaria arifolia Nutt.). Menomini white potato. See page 61.

Figure 4. Staghorn Sumac (Rhus typhina L.). Source of a beverage and medicine. See pages 22, 62 and 77.
EXPLANATION OF PLATE XXXII.

Figure 1. Wild Onion (*Allium canadense* Roth). A Menomini food. See page 69.

Figure 2. Menomini cultivated potato (*Solanum tuberosum*). A variety always cultivated by the Menomini, the origin not known. See page 72.

Figure 3. Yellow Ladies’ Slipper (*Cypripedium parviflorum pubescens* (Willd.) Knight). Source of medicine. See page 44.

Figure 4. Wild Leek (*Allium tricoccum* Ait.). A Menomini food. See page 69.
EXPLANATION OF PLATE XXXIII.

Figure 1. Virginia Waterleaf (*Hydrophyllum virginianum* L.). A Menomini leaf food. See pages 37 and 68.

Figure 2. Wild Strawberry (*Fragaria virginiana* Duchesne). A Menomini berry food. See pages 49 and 71.

Figure 3. Woolly Sweet Cicely (*Osmorhiza claytoni* (Mx.) Clarke). A food and medicine. See pages 55 and 72.

Figure 4. Marsh Marigold (*Caltha palustris* L.). Menomini spring greens. See page 70.
EXPLANATION OF PLATE XXXIV.

Figure 1. Wood Betony (*Pedicularis canadensis* L.). An evil charm of the Menomini. See pages 53 and 81.

Figure 2. Acorns of various species used as food by the Menomini. See page 66.

Figure 3. Bittersweet (*Celastrus scandens* L.). A Menomini bark food. See page 63.

Figure 4. Indian Paintbrush (*Castilleja coccinea* (L.) Spreng.). A Menomini love charm. See page 81.
EXPLANATION OF PLATE XXXV.

Figure 1. Bishop’s Cap (*Mitella diphylla* L.). A sacred bead seed. See page 81.

Figure 2. Slender Nettle (*Urtica gracilis* Ait.). A Menomini fiber plant. See page 77.

Figure 3. Cat-tail (*Typha latifolia* L.). A Menomini fiber plant. See page 77.

Figure 4. Spreading Dogbane (*Apocynum androsaemifolium* L.). Menomini thread material. See pages 73 and 79.
EXPLANATION OF PLATE XXXVI.

Figure 1. Spotted Touch-me-not (*Impatiens biflora* Walt.). A Menomini dye plant. See page 77.

Figure 2. Hoary Puccoon (*Lithospermum canescens* (Mx.) Lehm.). Source of a sacred bead. See page 80.

Figure 3. Menomini girls gathering Indian Paintbrush for Decoration Day, 1922. See page 81.

Figure 4. Cynthia (*Krigia amplexicaulis* Nutt.). A Menomini hunting charm. See page 80.
